

# Pond Training Day

*with a focus on Amphibians, Pond Creation  
and Pond Management*

**Tuesday June 22nd, 10.00am - 4.00pm**

## Training will cover:

- Principles for the design of a good wildlife pond.
- A look at some case studies.
- Pond management considerations.
- Advice on working with contractors.
- Resources available for pond creation including funding and specialist advice.
- Visit to a local site where pond creation is planned.
- Discussion of frequently asked questions.

Training will take place at

**The Visitors Centre, Tyne Riverside Country Park,  
Grange Road, Newburn, Newcastle upon Tyne, NE15 8ND.**

Deadline for bookings: June 16th
